

## Best Western marks 55 years with degustation dinner and wine event

A SPECIAL celebration is just around the corner for the Best Western Plus Ambassador on Ruthven Motor Inn in Toowoomba, with an international degustation dinner and wine appreciation

night planned for Saturday, October 20, to celebrate Best Western's 55th anniversary in Australia.

One lucky guest staying will also find a hidden emerald ring under their pillow, one of five

that will be distributed at certain Best Western properties around Australia.

Only 55 guests will be able to experience the Round the World five-course international degustation dinner, which

features dishes made from the finest produce and matched with wines.

Diners will be able to learn about wine-making from Conrad Dean from Single Vineyard Sellers, and be

entertained by the talented Sean Dickson.

Dinner tickets are available on 4637 6800. To stay the night and be in the chance to win an emerald ring, see [bestwestern.com.au/ambassadoronruthven](http://bestwestern.com.au/ambassadoronruthven).
